Team Parent Responsibilities

Thank you for volunteering to be a Team Parent! AYSO is an all-volunteer organization, so it takes a lot of us to put on a great program for our kids!

The most important part of being a Team Parent is keeping the team organized.

Here are the main responsibilities of the Team Parent:

1. Ordering a team banner is optional for Spring
2. Create a Referee schedule
3. Create snack schedule and share with team families.
4. Assign field monitor duties to team families.
5. Arrange team party and gifts for coaches and referees.
6. Assist the Coach sending information out (cancellation of practice or games)

If you ever have questions or need advice, feel free to contact me anytime.

Looking forward to a fantastic season!

Rose Roa
Director of Team Parents
