“Notes: are very useful in the selection process. They can include position strengths.

Please note the following:

- Due to the different numbers of children registered in different divisions, some divisions may be asked to nominate more players than others.
- The number of nominations per team will be communicated to the coaches at the mid-season coaches meeting.
- These are nominations only and not all nominated players will be selected. Please **DO NOT** lead anyone to believe they will have a position on the team before the meeting.

- **All Star games will be on Sundays in January. Please make sure that nominated players do not have religious conflicts that would prevent them from playing on Sundays.**
