

ALL STAR PLAYER NOMINATION INSTRUCTIONS

Divisions U10, U12 and U14

Attached is the information for nomination of players for All Stars. Please place the forms in a sealed envelope marked "PLAYER NOMINATIONS" and give it to your Division Representative **no later than October 22, 2022.**

COACHES: All Star selections are done at the Player Evaluation Meeting. Please be sure to be there. If you cannot attend, please notify your Division Representative in advance of the meeting and make arrangements for your assistant coach or other designee to attend in your place. Only one person can represent the team, either the coach or the coach's designee. However, it is imperative that a representative from each team be there. Coaches or their representative who attend the meeting will earn 1 point for their team in the standings.

Here are some things to keep in mind when selecting players:

- 1) Remember, to be eligible for All Star or Tournament play, a player must have played in at least ½ of the regular season games for which they were eligible (games missed for late registration or doctor's orders do not count against the player). If you have a question about player eligibility, please contact Director of Post Season Play.
- 2) All Stars is a program for the most skilled players. Teams will play other ALL STAR teams within Area 5, Section 10. Games will be played in the Santa Clarita Valley. All Star play is on Sundays starting in early January.
- 3) In selecting players to be nominated for All Stars, make sure the player and their parents will be making a commitment to the team. Some players may not be available for Sunday play because of religious commitments and should not be nominated. Please determine if players (including club players) are serious about being there for the All Star team before nominating them. The players and their parents should be made aware that the player's first commitment is to post season play on their regular season team (games & practices), then to All Stars, then Tournament Play. However, please do not make any statement to players or parents that could be interpreted as a promise before going into the meeting regarding All Stars. All Star players are selected by a vote of the coaches.
- 5) The number of players a team will be able to nominate will be communicated to the coaches at the mid season coaches meeting. It is important that you confirm with the parents that the player will be available to play PRIOR to nominating them. **Once your form is turned in, IT CAN NOT BE CHANGED!**
- 6) **Please remember what is discussed in the meeting is NOT to be discussed with anyone outside of the meeting!**
