

AYSO Region 46 Points System - Fall 2022: Competitive Divisions (yellow game card)

The following describes the AYSO Region 46 Points System for the **U10, U12 and U14 divisions**.

Teams will have 2 weeks to dispute standings up to week 9 of the season. After week 9 teams will have only 1 week to dispute standings. For example, week 7 standings are considered final once the week 9 standings have been posted. Week 10 standings are considered final once the week 11 standings have been posted

Sportsmanship Points

Generally, referees will award 2 points each for players, coaches and parents. A point may be added or subtracted to each category based on actions that occur during the match. If a player, coach or parent is sent off during the match, they will earn 0 points in that category. Sportsmanship points will be totaled separately and will apply to team sportsmanship awards only in the event that one or more teams are tied within the same division, the team with the highest total volunteer points will win.

If a player, coach or parent is sent off during the match, 1 point will be deducted from the team's total season standing points (maximum deduction: 2 points per game in the event of multiple ejections)
