

Team Parent Responsibilities

Thank you for volunteering to be a Team Parent! AYSO is an all-volunteer organization, so it takes a lot of us to put on a great program for our kids!

The most important part of being a Team Parent is keeping the team organized.

Here are the main responsibilities of the Team Parent:

1. Ordering a team banner is optional for Spring
2. Create a Referee schedule
3. Create snack schedule and share with team families
4. Competitive teams - Assign Area tent assignments
5. Non-competitive teams - Recruit volunteers to donate a case of water and a case of Gatorade (one each per team)
6. Arrange team party and gifts for coaches and referees.
7. Assist the Coach in sending information out (cancellation of practice or games)

If you ever have questions or need advice, feel free to contact your Division Representative

Looking forward to a fantastic season!
